Company Profile

Introduction :

We, Locks & Locking Devices (India), a manufacturing & marketing company based in Aligarh (The City of Locks) with our well established brand **Vijayan**, we assure you safe & secure locking solution for your home.

Our founder Shri J.S. Bansal, who started working in 1960 & who is our guiding light & a true pioneer in the field of locks & hardware. The company under his guidance & direction vows to give it best in the upcoming years.

Instruction :

Our Technological capability & competent manpower along with excellent infrastructure drives us to create durable & dynamic locking solutions.

Our R & D department works very hard to come up with the products with Safety, Strength & Long Life.

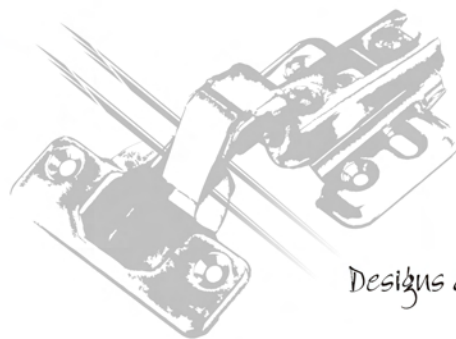

Disclaimer:

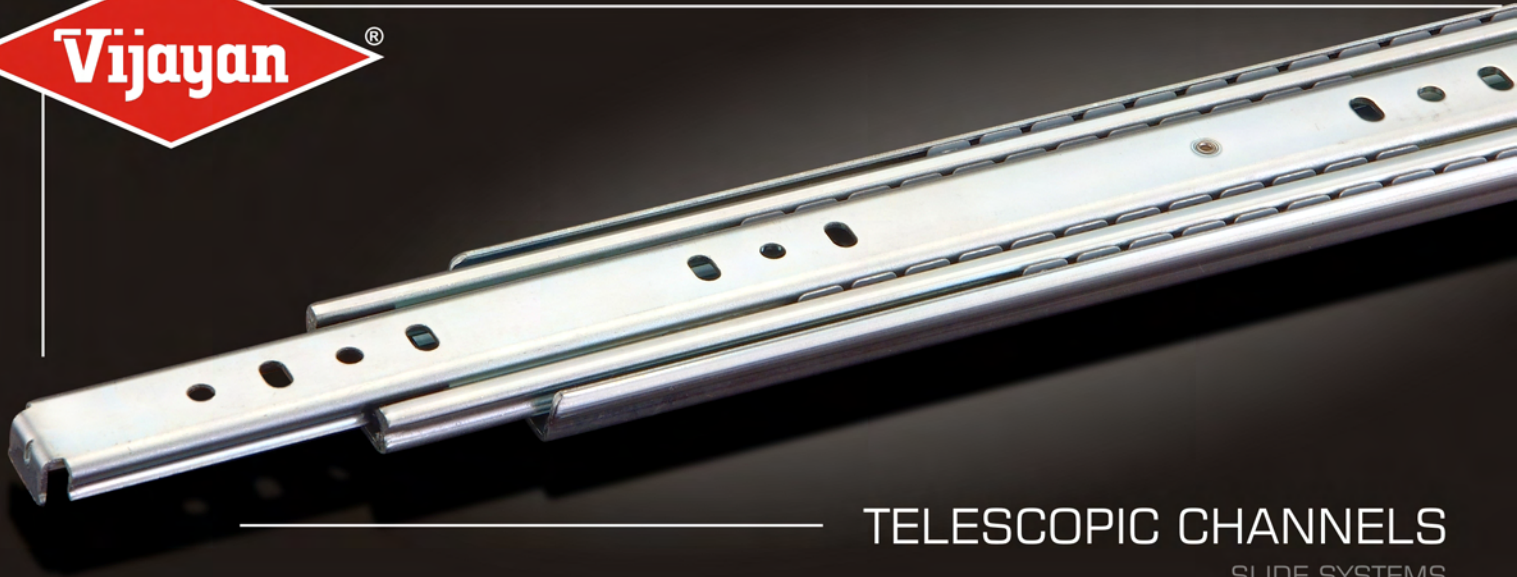

'Vijayan' is a Registered Trademark of locks & locking devices (INDIA) Since 1983, Which is confirmed by Honb'le high court of delhi & Honb'le Supreme Court of India. Vide their judgements dated 04-07-2018 & 27-07-2018.

Locks & Locking Devices (India)

Late Shri J.S. Bansal
